SPEAKER REED TO RETIRE

New York, April 19. — It is announced here that Speaker Thomas B. Reed has offered to become a member of the law firm of Simpson, Thatcher and Barnum in this city. It is understood that Mr. Reed will resign his seat in Congress and remove to New York. The statement has been made that Mr. Reed is guaranteed a yearly income of \$50,000. Before settling down here, Mr. Reed will make a protracted visit to Europe.

The Mail and Express says that Mr. Barnum, of the law firm, said that Mr. Reed had already practically become a member of the firm but could not enter actively upon his new duties until after he had taken a brief vacation in Europe. This decision was not made by Mr. Reed until all the details of his acceptance of their offer were arranged. Mr. Barnum could not say exactly when the Speaker would leave for his European sojourn, or just how long he would remain. He was to have sailed with his family today on the Paris, but his stay here will not be much prolonged. In all likelihood, his friends say, he will remain on the other side during the summer.

Utica, N. Y., April 19. — When congressman James Sherman was told today that Speaker Reed had entered a New York law firm, he said: "If that is true I am a candidate for the speakership."

JAPANESE LANDING AT TACOMA.

Tacoma, (Wash.), April 18. — Recent stories that hundreds of Japanese laborers are being brought into the Northwest under implied contracts to work for railroad labor contractors has caused the Treasury Department to send Robert Watchorn, supervising immigrant inspector, here from Washington to investigate the matter. About 200 Japanese just arrived on the steamship Glenogle are being examined, which gives Watchorn an opportunity to ascertain if the local immigrant inspectors are performing their duty thoroughly.

Watchorn finds that the law is being complied with, and that the Japs landing have more than the \$30 each required by law. He denies that there is any collusion between the immigration officers and alleged importers of Japanese laborers. Much talk has been caused because Watchorn and the local inspectors insist on examining the Japanese immigrants aboard the ship privately, refusing admission to reporters or the public generally. Labor unions are becoming alarmed over the fact that over 100 Jap laborers are now employed on the Northern railroad lines, and are advocating more stringent rules to regulate Japanese immigration.

Living Brakes.

Miss Helen Wilder, the indefatigable humane officer, if she could be spared out of Honolulu occasionally, would find an inviting field for her efforts on behalf of dumb animals. A gentleman saw from the coach for Lahaina, at Waikapu plantation, a novel method of braking car. A train of 12 to 18 cane cars on a down grade had about a dozen yoke of oxen upon a chain holding the cars back. If a link broke a yoke or two of oxen would have been dragged flying after the train until there was nothing left of them but heads and tackle.

No Pennsylvania Senator.

Harrisburg, April 19. — The seventy-ninth ballot, the last to be taken for a United States Senator at the present session of the Legislature, was taken today and resulted: Quay, R., 93; Jones, D., 85; Jones, R., 69. Total vote, 247. Necessary to a choice, 124. Paired or not voting, 6. The Legislature adjourns at noon tomorrow.

Florida's Senator-elect.

Tallahassee, Fla., April 19. — Taliaferro was elected United States senator on the first ballot in the joint assembly here today.

Heard Much About It.

"I was all broken out with pimples. I tried several remedies in vain, and having heard so much about Hood's Sarsaparilla I began taking it. After taking two bottles my skin was cleared of pimples and I am now better than for years." JEANNE COCAGNE, 257 Grand Ave., Pasadena, California.
